About Charlie Liebert

Charlie Liebert, at 35, left Atheism to become a Christian. In high school and college he was taught he evolved from pond scum and he wholeheartedly believed it. In his early 20s he earned a BS in Chemistry and an MBA in marketing. At his conversion in 1977, he immediately saw the contradiction with the Genesis' story of Creation and the Evolution he knew. After 3 years of study he evolved into a Young Earth Creationist. Teaching Christian Apologetics in many different contexts he has conducted over 400 workshops and seminars for children and adults. For a brief time he worked for Ken Ham's ministry "Answers in Genesis". In the late 90s he produced a TV show from his seminars called "Creation Foundation Explanation" for Greensboro Community Television. Charlie is known as an excellent teacher of Apologetics. He and his wife Terry live in Carlisle, Pennsylvania, have a son, Keith, a daughter, Melanie and 5 grandchildren
